From the Principal,

Greetings All in the Kingsbury Community,

We have had some really nice news this week from a long way away. Our Grade 5/6 students have sent through their first letter to their partner grade in the United Kingdom and have got a letter back. The school in the UK is called Cole Gate and they are in the north of England close to Newcastle (yes, my EPL team). Our Grade 5/6 students made some models of the Angel of the North which is a fantastic and very huge sculpture that sits up above the city. I have included some photos of 5/6 M at work.

Our Grade 5/6 models above – the actual Angel of the North below

The Letter from Cole Gate

Dear Melbourne friends,

We are so excited about becoming your partner school and were excited to read your letter.

Your school sounds really great!

A bit about Colegate:

- ▶ Our school is in a town called Gateshead which is south of the River Tyne
- ▶ There are 163 pupils in school
- ▶ The weather here is always quite chilly, even in summer – today it is 7 Degrees Celsius which is warmer than it has been for a while
- ▶ The subjects we learn in Year 5 are: English, Maths, French, History, Geography, PE, Art and Design, RE (Religious Education) Science, PSHE (Personal, Social and Health Education) Computing and Guided Reading
- ▶ Our class teacher is Ms. Hodgson and our Head Teacher is Mrs. Gladstone

- ▶ We break up in a week's time for half-term holiday which means we will be half way through our school year
- ▶ Here is a photo of our classroom

We loved seeing your Angel of the North models. This week we are going to find out more about Melbourne. Here is a link to our school website: <https://colegateprimary.org/>

If you click on Year 5, you'll be able to see our class weekly blog.

Best wishes to our new friends, Year 5

Physical Education focus

As you would be aware from the overview, this term's physical education focus in the junior school has been around gross motor skills. The students have been learning correct running and jumping techniques and this has fitted in beautifully with the Upper School Athletics program.

In this weeks newsletter we have featured Grade 1 /2's in their PE session on Monday. They were learning how to jump off one foot and land on two -maintaining a static balance. We also had the opportunity to practice throwing and catching using the rebound net.

Newsletter

Starting from March 4th we will publishing our newsletter fortnightly. We will still keep our families up to date with events, notices and other administrative items through Compass. However, we are looking to have more student work and activities as the major part of the newsletter.

P.S. We have also changed our website so that it is more up to date and easier to find the really important information. If you have some feedback let us know.

Congratulations to our newest Junior School Council Members for 2022

School Council

Each year, new parents are asked to volunteer for School Council. It is a two year appointment. We meet each month on the third Thursday at 7.00pm. This is where policy, finance and the oversight of the school is discussed. If you are interested in contributing to the school community but are not available during the day, then this is the perfect role for you. Please see me if you have any questions or would like to collect a nomination form. Nominations forms are available from the school office.

CSEF (Camps, Sports & Excursions Fund)

The Camps, Sports and Excursions Fund helps eligible families to cover the costs of school trips, camps and sporting activities.

If you have a valid means-tested concession card, such as a Veterans Affairs Gold Card, Centrelink Health Care Card or Pensioner Concession Card, or are a temporary foster parent, you may be eligible. There is also a special consideration category for asylum seeker and refugee families. This must be accompanied by a letter from your support worker.

Payment amounts this year are \$125 for eligible primary school students. Payments are made direct to the school to use towards expenses relating to camps, excursions and sporting activities for the benefit of your child. Application forms are available at the school office and the **closing date for Round 1 is Thursday 24th February 2022.**

We have just had a large load of fresh fruit, carrots and fresh bread delivered, thanks to our wonderful friends at Foodbank. Please pop into the office to collect some before or after school when dropping off your children.

Playgroup

Kingsbury Primary School is fortunate to have its own playgroup. Playgroup runs each Wednesday from 9.00am until 11.00am throughout the school term. Playgroup is held in our Junior Building and is facilitated by one of our parents, Sarah Arnold. We would love for more families to join us and please feel free to invite your friends as well. Playgroup commences Wednesday 2nd March 2022.

Years 3-6 Camp—Monday 4th April—Wednesday 6th April

Camp details are now available on Compass. Here you will find the necessary consent form and payment options. If you have CSEF from 2021 and 2022, this can be allocated to this camp. If you have any questions regarding payment, please don't hesitate to come and see us in the school office.

Dental Check Ups

You will have already received a letter, flyer and permission form for your child to participate in our upcoming free dental check up & treatment plan for eligible students. All permission forms need to be returned to the school office as soon as possible.
