***From the Principal,***

Greetings All in the Kingsbury Community,

Well, last Monday saw our first big assembly for the year with our presentation of our JSC badges and our Student of the Week.

Student of the Week is a great chance to recognise the kids that have put in sustained effort in displaying our school values. It is all well and good to have our values on the wall, but, the rubber hits the road when people have to put them into action.

So it is a very big thank you to our Student of the Week winners for representing our school so well.

The second big event was the awarding of the Junior School Council badges. At Kingsbury, the JSC representatives are wholly and solely elected by the students. Over the last week or so I interviewed our School Council representatives and found out what they hoped to achieve over the course of the year.

**Harmony Day**

This Monday, Kingsbury Primary School will be celebrating Harmony Day on March 21<sup>st</sup>. We will be having three rotating activities throughout the day. One of the highlights will be the session that will be run by a group called "The Dance Experts". Adding to that even further will be the planting activity where we will be getting our autumn vegetable garden up and running, as well as a Scavenger Hunt to be organised by Mr. McKenzie. As you can see the activities are predominantly outside and we absolutely invite parents and carers to join us celebrate this important day.

***Enrolments and School Tours***

Whilst there are no "zoning issues" for Kingsbury Primary School, parents are encouraged to enrol their child as early as possible. School tours are now able to recommence from Term 2, every Tuesday at 10.00am. Bookings are required to ensure that we can remain COVID-safe. Our tours provide information regarding our curriculum, specialist programs and general classroom information, as well as giving you the opportunity to view the school and classes in action. Please contact the Administration Office to make a booking or to request a 2023 Enrolment Pack to be mailed out to you.

***Years 3-6 Camp***

The Years 3-6 Camp is fast approaching, departing Monday 4th April 2022. Our camp is fully supervised by our school staff and activities have been chosen carefully with both safety and engagement of students as our main priority. I thank all of the teachers who give up their personal time to both organise and attend camp. Final payment is due this week, CSEF can be allocated to camp, please contact the office should you have any questions about payment or any CSEF available.

## **'Kingsbury Kids Family & Friends' Facebook Group**

This facebook group has been created as a place for current Kingsbury Primary School parents, carers and family to keep in touch with each other and build our school community.

Our vision is to have a positive space where we can remind each other of events happening, ask each other questions and be here to support each other while getting to know other parents and families at the school.

Of course it is also still recommended to read official school communications on Compass and the school newsletter.

This group is run by parents of Kingsbury Primary School and is not an official school group.

To join the group, simply search the name 'Kingsbury Kids Family & Friends', and read and agree to the group rules. All are welcome and we would love to see you!

Any questions, please feel free to ask group admins Amy or Sarah - you will see us around school. :)

Our arts and crafts table has been a hive of activity recently, resulting in many wonderful creations. Isabella has completed so many beautiful colouring sheets, as has Gabriella T. Our weekly themed challenge always reveals lots of hidden talents and creativity - to the left you'll see Angie's robot and Roan's comic which were inspired by the prompt 'technology'. Angie even described what each button would do on her robot, including making it twist, jump and lie on its back!

Outside, our recent 'minute to win it' game was a success, with participants challenging themselves to complete as many push ups, planks, sprints, etc. that they could in one minute. Well done again to Roan for helping to take charge and run the activity.

Planning is underway for our next holiday program and we're excited to share the program with you as soon as possible. If you're not yet enrolled with us but are interested in using the holiday program, please get in touch with us as soon as you can. We'd love to see you there!
