Thursday 10th August	CANTEEN CLOSED

From the Principal,

Quick Bites

Writing We are authors! That's the message we're giving the kids at the moment. Across the school we have had a focus on writing and pleasingly our local assessment and broader assessment are showing improvement.

On Monday, we had the first of our small group workshops with Mary Anastasiou and this shone through fairly strongly. Our grade 3 /4 students created their own characters and developed some brilliant storylines.

Alaa's character was Rosalie Ann and she is a model from California. Her eyes are green like emeralds.

Ivy's character is named Millie and she lives on a farm that lots of animals. Her favorite animal is her pigs.

Shanae Jayde's character is named Isabella and she really loves to do ballet. She is outstanding at it and she special shoes with a pink bowtie.

Lincoln's character is named Bob Timmy James, he is a very sporty character and was born on Pluto.

Oliver's character was named Rick and he helps a lot of people. Rick has the ability to talk to animals.

Ada's character is Milla and she lives in Townsville, way up in Queensland . Milla likes ballet and is really dedicated to dancing.

We look forward to the Grade 5/6 students having a go next week.

NAPLAN

Individual NAPLAN results will be available for collection from the office for students in Grades 3 & 5 over the next few days. This year, a new system has been implemented at a national level with four proficiency standards for each year level. This replaces the old system where 10 bands were used across all testing levels, grade three through to year nine. More information on this will be sent home with your child/ren's individual NAPLAN report.

From the Principal (continued)

Basketball from the Reservoir Gym

It was a wonderful day of basketball last Friday as the mighty crew from Kingsbury played in the District tournament. The kids turned up ,well prepared after giving it their all at practice sessions . Mr McKenzie and Miss Mikayla took the managerial reins and left the rest to the kids. They result was that the students stood up and represented our school superbly.

- We saw effort from everyone
- We saw respect for the opposing teams
- We saw respect for the referees and
- We saw respect for our team mates

These are the values that we look for with our sporting teams. Our specialist coach (Karl) watched some of the matches with me . His feedback was that our kids almost shared the ball around “too much”. I guess that speaks volumes for our attitude. Well played I say!!!

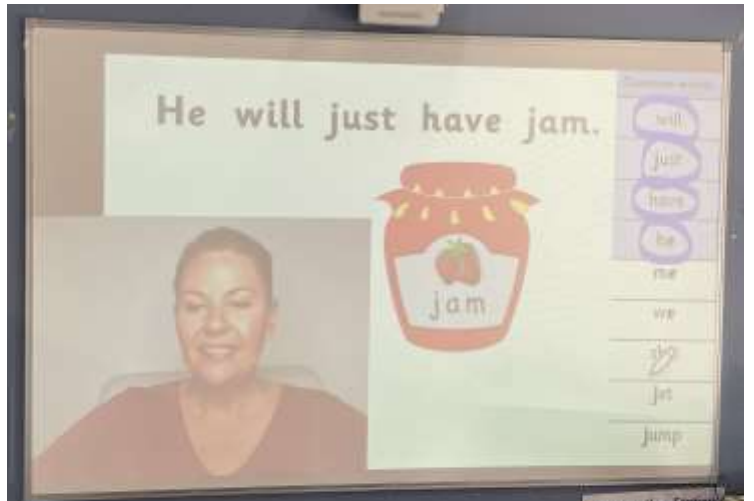

*It was all systems go with our Collaborative Arts Program last Friday!!!
But what on earth were they doing????*

Now that makes sense!

***All the best
Brett Millott
Principal***

Outside we've been enjoying cricket! A few of our kids started playing cricket by themselves and started a cricket match. I observed everyone taking turns, playing very well together and helping each other out!

Inside our amazing art collection, we made paper plate animals where children were able to make their favorite to craziest animals.

Amongst our sports stars and artists, we had some comfortable homebody children creating their makeshift home with our big blocks, plenty of pillows and our blankets.

Beginner and experienced players welcome

SOFTBALL

GIRLS & BOYS

Winter Junior Development Program Starts 29 July
 8 - 14 yrs | Beginner to intermediate | Saturdays 2-4 pm for 6 weeks | \$70 pp
 Register today at www.softballvic.org.au/get-involved/junior-development
