**Two fantastic days**

Over the last two weeks we have had a some terrific events that in many ways have signalled a return to normality, they were the District Athletics sports and our annual Harmony Day.

Here is a brief rundown of each of these events. It was great to see parents participating across both days and the response will certainly encourage us to run more community type events going forward.

**Sports day**

It was a cloudy, but mild Friday as the Kingsbury Athletics team jumped on to the team bus and headed off to Meadow Glen International Athletics Track. It was an early start and by 8.35am the bus was heading up Plenty Road. On arrival the KPS team were greeted by Mr Bolton who had been there since sunrise (yes that is correct).

Before the sports, the team were made aware of what is required when we represent the school;

- ◆ We are required to give our best effort
- ◆ We are required to respect our team mates
- ◆ We are required to respect the people we are competing against
- ◆ We are required to know what we have to do in the spirit of the event

I am pleased to report that the Kingsbury Kids were well and truly able to deliver this in spades. In fact, the whole team achieved a goal of winning a first, second or third ribbon. What a great effort, and not only that, we thoroughly enjoyed the day.

A special thanks to Sarah and Renee who supported the squad with their organisational skills.

### ***From the Principal (continued)***

Some of the students from Grade 3/4B provided some reflections about the day, as well as some advice for someone going in the sports for the first time.

Chau Anh and Mai were both a little bit nervous about being in the sports at first, but at the end of the day they felt very pleased that they had taken part in the sports. Chau Anh was in a quite difficult event (the high jump) but she persisted and ended up coming second. Mai enjoyed all of the events that she was in and was able to get ribbons in both an individual and a team event.

*Chau Anh (Advice) “Try your best and don’t be nervous”*

*Mai (Advice) “Winning is good but having fun is also important”*

Sao had a busy day and really enjoyed being in the Cross -Ball and the 100 metres sprint. Sao enjoyed the 100 metres because she came first . She felt quite excited about being in the sports and will be more confident next time around.

Lucas had a very busy program and participated in six events. At the end of such a demanding day he was quite understandably very tired. Lucas was able to get ribbons in the teams events, however, the big effort was getting a ribbon in the 800 metres.

*Sao (Advice) ‘ You should look forward to the sports because it’s a lot of fun”*

*Lucas (Advice)” Don’t worry about being in lots of events just have a rest, some water and just do the next one”*

For Coca and Shanon it was their first sports and they were a little bit nervous at the start of the day. They especially enjoyed the tunnel ball event and they were very successful doing it as well with them both getting ribbons. Coca was also in the 75 metres and he was able to finish first in this event. Shanon was in the 100 metres which he found challenging but was glad he went in it.

*Shanon (Advice) “It is good if you practice for your event because it can help you to improve”*

*Coca (Advice) “ I also think it is important to practice and it’s a great idea to warm up before your event*

### **Harmony Day**

***Paul, our Gardener, working alongside one of our planting groups.***

It has been a long held Kingsbury tradition to have a special event to mark Harmony Day. Without doubt one of the wonderful things about KPS is the richness and diversity in our community. This year there were a couple of aspects that we couldn’t run (such as our traditional shared banquet) but lots of things could.

The school was divided into three multi-aged groups and they participated in three activities. There was a dance group who visited, there was a scavenger hunt around our school grounds and there was a planting day.

We now have our greenhouses well and truly set up with seedlings and seeds all tubed up. In about six weeks time we will transfer them over to our Kitchen

Garden beds and hopefully ready for harvest around springtime.

The second key action was to establish our Harmony garden, which is designed to be a place where our community can sit and connect with others. At present we are choosing some colours to paint the surrounds that will reflect the Kingsbury ethos of inclusiveness and welcome.

**Open Day May 5<sup>th</sup> - Save the date!!!**

We are planning an excellent Open Day on May 5<sup>th</sup> and we are looking forward to welcoming everyone in our community to our school.

These arrangements will be subject to any COVID restrictions that might be in place. As usual we will be agile and do the best we can to allow maximum involvement.

The events will predominantly take place in the afternoon and will run from 1.30pm-3.30pm. A complete program will be released closer to the day.

Telephone: 9462 2354

In OSHC this fortnight, we learned to turn leftover risotto into arancini balls! It was a little bit of a sticky job, as it involved shaping the rice balls in our hands, sticking a cube of cheese inside and then coating them in flour, egg and breadcrumbs. Thankfully the effort paid off, and what we created were delicious, crispy balls of risotto with a melted cheese centre that dangled from our forks as we ate (just look at Violet's expression as she hit the cheesy jackpot!). Of the arancini, Maxwell said "the cheese is so oooooozy!" and Oscar said "I want to eat every crumb!".

Well done to all the children who participated in our emergency evacuation rehearsal last Thursday. We were impressed with their insightful questions in the lead up to the day, and very pleased with the way they listened and followed the procedure when the time came.

Information is now available for our upcoming holiday program! The program will run for the two weeks from Monday the 11th of April, but will be closed on all public holidays. We have planned some very exciting excursions to IMAX for a 3D movie, Edendale Farm to see the animals and Watermarc for a play in the pools. We're even going on a ferry boat to Williamstown, where we'll enjoy a fish and chip lunch by the water! For our days at school, we've got all sorts of fun activities, including Hawaiian-themed beach games, a dress up day, and "camping" experiences on the oval.

Existing OSHC users are welcome to book in now via My Family Lounge, email or our paper form. New users are welcome, but please get in touch as soon as possible to start the enrolment process. We'd love to see you there!
