

Do you have a child starting their  
first year of school in 2022?

Do you want to support your  
child in experiencing a smooth  
transition to school through an  
early introduction to the  
classroom?

## Enrol in our Pre Prep Program Now

Classes commence on  
Tuesday 10th August, 2021

Within the program your child will:

- Participate in early literacy and numeracy experiences
- Become familiar with a school environment, routines and expectations
- Develop social readiness through the nurturing of further development of their self esteem and confidence
- Establish early school based friendships
