#### ***From the Principal,***

Welcome back to a busy and wonderful term, full of exciting activities.

#### ***Class Newsletters and Community Calendar***

These have already been sent home. Please keep them on the fridge as they will tell you what is happening this term. There are many activities and events planned for this term in every year level, including excursions, incursions and sporting events.

It is imperative that notes and payments are returned promptly to ensure your child can participate in them all. We try to keep costs as low as possible and we offer many activities where parents do not have to pay anything. All activities are chosen carefully and are linked to the classroom curriculum.

#### ***Vietnamese Cultural Class***

Vietnamese Cultural Classes will begin in Week 2 and continue until Week 9 each Friday. Due to the large number of students involved, we have divided the group into two sessions: Foundation (Prep) - Year 1 students and Years 2—6 students. Each class will be for a duration of 30 minutes. Years 2—6 students will begin at 9.00am and Foundation—Year 1 students will begin at 9.30am. I thank Tu Tran for facilitating this activity.

#### ***School Lunches***

Families are reminded that changes to the school lunch provision began this week. If you wish to order lunch for your child on Wednesday and Friday, please do this via the Classroom Cuisine website, [www.classroomcuisine.com.au](http://www.classroomcuisine.com.au) I remind you that this must be done before 8.30am on the day the meal is to be delivered.

If you have any difficulty, please contact Classroom Cuisine directly at [contact@classroomcuisine.com.au](mailto:contact@classroomcuisine.com.au) for assistance. On Thursday our school canteen will be open with a limited menu. All orders must be sent to the classroom. Please see this newsletter for the menu, for both of these services.

#### ***Foundation 100 Days of School***

This special day for our Foundation students is coming up in Week 3 on Thursday 1st August. On this day, Mrs Valkanis will invite all Foundation families into the school for a special celebration. More information will be published next week, but please keep this date free so you can celebrate 100 Day of School with your child.

#### ***Print Design Photo Shoot***

On Thursday 25th July we will be having a special photoshoot. If you do not want your child to be photographed please complete the form available from the office. Otherwise, all children may be photographed for our publicity material that advertises our school to the community. On this day, all children should be dressed in full, clean school uniform with beautiful hair and smiling faces. You never know, you might be chosen as the face of our school!

## 2019 Parent Opinion Survey

Each year, Kingsbury Primary School conducts a survey to find out what parents think of our school. The Parent Opinion Survey is an annual survey offered by the Department of Education and Training that invites parents from across the school community to participate. It is designed to assist schools in gaining an understanding of parents' perceptions of school climate, student behaviour and student engagement. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

All school families will be invited to participate in this year's survey. All responses to the survey are anonymous. This year the Parent Opinion Survey will be conducted from **Monday 22<sup>nd</sup> July** to **Sunday 11<sup>th</sup> August**. Invitation letters will be sent home on Friday 19<sup>th</sup> July 2019.

The survey will be conducted **online**, only takes **10-15 minutes** to complete, and can be accessed at any convenient time within the above dates on desktop computers, laptops, tablets or smartphones. The online survey will be available in a range of languages other than English. These include: Arabic, Vietnamese, Mandarin, Chin (hakha), Hindi, Japanese, Somali, Turkish, Punjabi and Greek.

The survey results will be reported back to the school at the end of September. We will inform the school community of the survey results via the school newsletter and the Annual Report to the Community. Last year we used the survey results to plan for academic, student engagement and welfare initiatives.

Please speak to me or the office administration staff if you would like more information or need assistance to access the survey online.

### No more electronic waste (e-waste) in landfill for Victorians

E-waste - which refers to broken or beyond repair electronic products - is the fastest-growing category of waste worldwide. The state-wide ban has now commenced, and e-waste will no longer be accepted in household bins or landfill sites across Victoria. E-waste should be taken to a better place where we can remove the bad and save the

good!

#### What is e-waste?

Anything broken or beyond repair that has a plug, battery or power cord. This includes our phones, computers, household appliances, toys or power tools, as well as the batteries and cords that power them!

#### Why can't I put them in the bin?

E-waste is full of valuable resources we can recover and reuse if they aren't lost to landfill, as well as materials that are hazardous and bad for the environment if not disposed of properly.

#### Where can I take my e-waste?

While you can't put your e-waste in your home rubbish or recycling bin, there are lots of places you can recycle it in Darebin. To find out where to take your e-waste visit [www.darebin.vic.gov.au/ewaste](http://www.darebin.vic.gov.au/ewaste).

#### Not in Darebin?

You can take it to one of many different locations around the state to recycle it. Contact Sustainability Victoria on 1300 363 744 to find your nearest e-waste recycling depot or visit [ewaste.vic.gov.au](http://ewaste.vic.gov.au).

Council is proud to present the Play Map Project Exhibition. A celebration of simple, inexpensive ideas to get children out and about playing and exploring the wonderful places and spaces Darebin has to offer.

Over 1400 children were invited to tell us why play is important to them. The children's ideas were collated through photos, drawings and video which led to the creation of 14 Play Maps across the municipality.

The exhibition will be on display in the main foyer of the Darebin Arts Centre during opening hours from Wednesday 24 July 2019 at 1:00pm to Friday 2 August 2019.

A great opportunity for families, schools and early years services to visit the exhibition and find out more about the Play Maps project.

# KINGSBURY OUT OF SCHOOL HOURS CARE

## THIS WEEK AT THE PROGRAM

Welcome to Term 3! We hope you've all had a warm and restful break and are ready for another busy school term.

Those of us who attended our Winter Holiday Program were sure to not let the cold weather put a damper on our fun! We cooked up a storm on Junior MasterChef Day, even making pizzas from scratch, and searched for and followed clues to find Otto the dog on Spy Kids Day (it turned out he had just wandered into the office to relax and read a book!). We also had great fun playing a life-size version of Hungry Hungry Humans (not Hippos!); a fun game which required lots of communication, teamwork and friendly competition.

It was also fantastic to see children face their fears and have a go during excursions to Latitude and Skaterz; we were very proud of the way so many of them persisted and improved in such a short time!

This term we are looking forward to continuing to improve our footy skills in the lead up to the Grand Final, finishing our handmade mini golf game, cooking delicious foods and more.

Our Junior Leader this week is Ivy A. for being a kind and caring member of our program. Well done, Ivy!
