From the Principal,
The Art Show

What a wonderful night we had last night with so many families attending our Art Show to view some amazing artwork. I saw smiles of pure delight on students' faces when they were sharing their work with their family members. Many students will now see that work displayed at home with pride. There is still plenty of opportunity to purchase your child's artwork. Please contact the office, pay and then collect your child's work

from their class teacher. Thank you to Mrs Cunado and Jenny Watson for their outstanding displays and to all of our staff for their effort in producing this night. Congratulations to all prize winners on the night. A big thank you to Ray White Reservoir for their sponsorship throughout the year and their support on the night, selling raffle tickets and conducting our auction. I think you will agree that it was a highlight. At the back of this newsletter you will find a small survey. We would love to know what you thought of our Art Show, so please send your feedback to school as soon as possible.

Prep 2020 Transition Day

Tomorrow is a very important day for our incoming Prep students for 2020. The first formal Transition session will be held from 2.30-3.30pm in the Prep room. Parents will meet with me in the library

during this time where I will hold an Information Session. We can't wait for you and your children to join us again!

Indonesian Performance

On Monday at our Assembly, Ms Jap will be leading an Indonesian performance, presented by our students. I hope you can join us to see what students have been learning in their Indonesian classes.

Congratulations

Our School Captain, Jasmin Muir has been busy recently. Yesterday she competed at the regional level in the sport of High Jump. This is a very high achievement and Jasmin should be proud of her efforts. I also received an email this week acknowledging Jasmin's efforts in the sport of Taekwondo. Last week she demonstrated her skills at an Asian Studies Day. She was commended highly for her contribution to the sport as well as her general demeanour. Jasmin continues to be a credit to our school and her family. Well done.

Considerations for 2020 class placement

We are in the process of finalising staffing and grades for 2020. If you have an educational reason why consideration should be made for your child's placement in 2020, then please forward this in writing to me by Friday 1st November. It should be placed in an envelope marked 'For the attention of the Principal'. Whilst we will do our best to accommodate parent requests, this cannot be guaranteed. I assure parents that student placements are considered very carefully by teachers to ensure balanced grades and appropriate placements.

It continues to be a busy term. I thank you all for your support of our school.

KINGSBURY OUT OF SCHOOL HOURS CARE

LATELY AT OSHC...

We have a very competitive bunch of kids at After Care, and so last week when we got out our mini golf set we thought we'd try something a little different to keep track of the score. Instead of using a boring old piece of paper and a pencil, we kept track by earning pretend Australian money each time we got the ball in. The easiest hole earned the player a \$1 coin, \$2 for the next and so on, all the way up to a \$100 note for the most challenging hole. Kurt, Patrick, Tristan and Sai proved their many talents throughout the afternoon, playing an excellent few rounds of mini golf AND doing fantastic job counting up their monetary scores along the way, with Kurt even 'scoring' a whopping \$125! Although this cash was just pretend, I wonder what these players would buy if their winnings were real..?!

Our Junior Leader this week is Poppy for being a kind and caring friend to so many of the younger children at the program. Congratulations, Poppy!

We are a Sun Smart School and it is compulsory for all students to wear a hat in Term 4. No hat, no play.

If your child does not have a hat, they will be required to sit in an undercover area for the duration of the break.

Hats can be purchased from the uniform shop on Friday mornings between 9.00am—10.00am.

- 00A Toby This certificate is awarded to Toby for demonstrating a great improvement in his cutting skills, by being able to cut, paste and match numbers, number words and pictures. Well done Toby for concentrating on the task.
