##### ***Education Week***

2019 is the 75th year of Education Week and it aims to positively profile and celebrate the strengths and achievements of Victoria's government education sector. It is an opportunity for us to showcase and celebrate excellence in education through open days, exhibitions and special events. Today, with this newsletter you will also receive your copy of our Education Week invitation and booklet, outlining the many activities we have planned and do hope that you can join us in some of these.

We will be holding our whole school open morning on Tuesday 21st May, from, 9.00am—11.00am in celebration of this week. It does mean a lot to your child, to have you come and see them "in action" learning at school. Please keep in mind that this is not a parent/teacher interview time, but an opportunity to see your child in their class during the day.

A morning tea for parents and visitors, along with school staff, will follow in our School Library, from 11.00am—11.30am. Everyone is welcome to attend. We will be hosting the "Biggest Morning Tea" and collecting donations to help raise funds for cancer research.

##### ***Junior School Council & School Captain Photos***

These photos are on display in the School Office and can be ordered by completing an order form, also available from the School Office. All orders must be returned to the school office by Friday 24th May. Photos are \$17.00each.

##### ***Vietnamese Cultural Classes***

Our first class was held last week and we had a lot of fun. There is still time for students of Vietnamese heritage to join in. See me if you are interested. I will also be trying to learn some Vietnamese greetings and basic language. The students are helping me!!

Thank you for supporting our school. I look forward to catching up with you next week during Education Week.

We are excited to be taking part in the 2019 Woolworths Earn & Learn program.

During the previous campaign, we were able to purchase some great resources with the points we earned, thanks to you.

From now until June 25th 2019, you can collect stickers at Woolworths that go towards Earn & Learn points. For every \$10 you spend at Woolworths (excluding the purchase of tobacco, liquor and gift cards), you will receive a sticker. These stickers can then be given to your children to collect on a special sticker sheet. Once it is completed, they can simply bring it back here to school or you can drop them into your local Woolworths collection box. We have one located at Polaris Bundoora and one at Northland.

The more points we earn, the more we can redeem from a choice of over 10,000 educational resources including mathematics and English resources, art & crafts materials and much, much more! We are grateful for your support and look forward to a successful program. If you have any questions, please ask at School.

# KINGSBURY OUT OF SCHOOL HOURS CARE

## THIS WEEK AT THE PROGRAM

Have you seen our new dinosaur area?! In it, you can brush and sift through sand to find fossils and dinosaur bones, play in the dino-jungle and read about millions of years ago when dinosaurs roamed the earth. We are starting to get a little worried however; the dinosaurs seem to be moving when we're not around! Could it be that they aren't extinct after all?

Over the past week at Before and After Care we've also been enjoying playing tennis, making cookies and crepes and creating beautiful aquarium-inspired paintings.

Our Junior Leader this week is Claudia from OLW for being a fantastic help showing our new leaders, Sarah and Rubie, around our room and teaching them all about our program. Excellent job, Claudia!

## Using pedestrian crossings and children's crossings

Pedestrians need to be alert. Always look and listen for approaching traffic from each direction before crossing at a pedestrian crossing or children's crossing. Pedestrians need to be sure that drivers or riders have seen them and are stopping.

### Pedestrian crossings

Decide whether it is safe before beginning to cross.

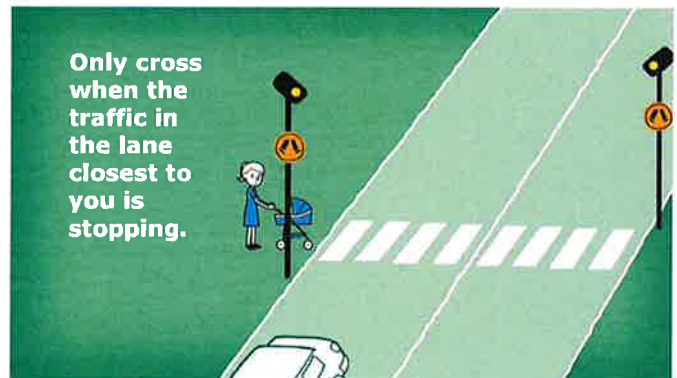

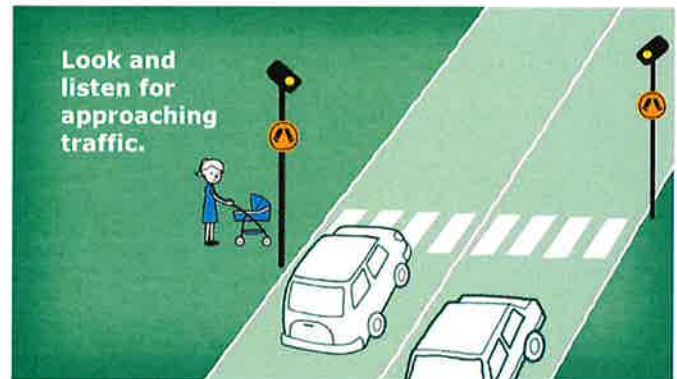

Only cross when it is safe to do so and the traffic is stopping.

Make sure drivers in other lanes are also stopping before continuing to cross.

Stay alert – keep looking and listening for traffic while crossing.

### Drivers and riders at pedestrian crossings:

- Must give way to all pedestrians on a crossing.
- Must not overtake another vehicle already stopped at a crossing.
- Must approach at a speed slow enough to stop safely, if necessary.

Don't expect others to give way, even if they should.

## Children's crossings

When flags are displayed all pedestrians should use the crossing.

Some children's crossings have a crossing supervisor. Always follow the instructions of the crossing supervisor.

If there isn't a supervisor, look and listen for traffic before crossing.

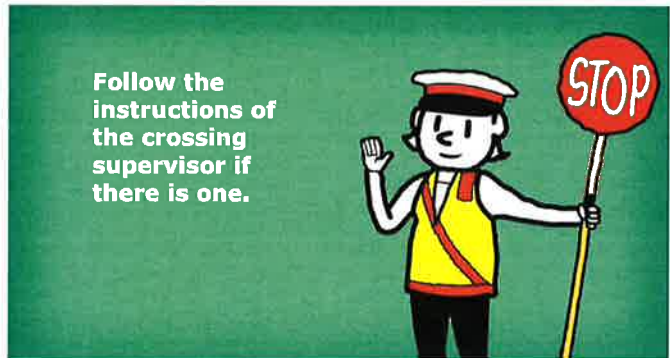

Make sure all traffic has stopped before stepping on to the crossing.

Only cross when it is safe to do so.

Stay alert – keep looking and listening for traffic while crossing.

### Drivers and riders at children's crossings:

- Must not overtake a vehicle stopping or stopped at the crossing.
- Must stop if a child or adult is about to cross or is crossing, even if there is no crossing supervisor.
- Must stop if a hand held "Stop" sign is displayed.
- Must proceed only when all children and adults, including the supervisor, are clear of the crossing.
- Must approach at a speed slow enough to stop safely, if necessary.
- Should always watch out for children near schools.

This Fact Sheet was published in September 2011

Make sure all traffic is stopping before you step onto the crossing.
