From the Principal,

Prep Transition

Our first Transition Day was held last Friday 16th August, and some very excited children were in attendance and joined in some fun activities in the classroom. Our next Transition Day will be held next term, Friday 18th October between 2.30pm—3.30pm.

Prep 2020 Enrolments

Places are filling fast for next year. If you intend to enrol or know of any families not yet enrolled, please be informed that enrolments close Friday 20th September 2019.

Bunnings BBQ Thomastown

Our next Bunnings BBQ will be held on Saturday 14th September, from 7.30am—5.15pm. This is a fun way to both raise money for the school and to meet other families. All money raised will be used to subsidise the end of year excursions for each year level. Can you spare an hour or two? The roster is at the office. We need lots of assistants on the day.

Confidential Student Information/Medical Updates

It is very that you keep us informed of any changes relating to your child's personal details. Please notify us immediately of any modifications relating to family/student details; emergency contacts, medical, address and in particular phone numbers and email addresses. There have been several instances where we have tried to make contact with parents when their child has been ill and the number provided has been disconnected or is incorrect. It is extremely important that we have up to date contact details in the event of any emergency.

Book Fair 2019

A huge thank you to all the families who supported this years Book Fair by purchasing some amazing books or quirky stationery. Without the community support this would not have been possible. Thanks also to Ms Anne and her band of parent helpers who helped with sales before and after school.

Are You A Parent of a Child Aged 2 to 12?

The Parenting and Family Support Centre at the University of Queensland is conducting research into parents' opinions about parenting and programs available for parents. If you have a child between 2 and 12 years, we would love to hear your views on parenting and the services that are available to you as a parent. You will need to complete a short survey, which will remain open until the 31st of August 2019. To find out more or to participate please visit <https://exp.psy.uq.edu.au/parenting>

Christine Campbell

- ◆ **Big prizes to be won!!**
- ◆ **Raffle tickets have been sent home last week.**
- ◆ **Please return all tickets sold and money to the office as soon as possible.**

KINGSBURY OUT OF SCHOOL HOURS CARE

THIS WEEK AT THE PROGRAM

At Before and After Care we work hard to provide delicious and nutritious meals to help kids get through the day. One of the highlights from recent weeks has been seeing previously reluctant eaters try and enjoy new foods! We like taking the time to transition from the classroom to After Care activities by sitting down and eating together, so it's fantastic to have more children be a part of this. If you're looking for ideas for healthy family meals, please feel free to drop by.

In addition to our activities, over the past week we've continued planning our 'woolly rewards' party, and have set the date for next Thursday the 29th! Be sure to book in if you would like to join in.

This week's Junior Leader is Lincoln for his excellent knowledge and fantastic contributions to our solar system model. Well done Lincoln – we can't wait to see what other interesting facts you can share with us!

Lincoln and Bill with the beginnings of our scale model of the solar system!

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
BREAKFAST	Toast and cereal	Bacon and egg muffins	Toast and cereal	Waffles with berries	Toast and cereal
AFTERNOON TEA	Honey chicken	Chilli con carne	Roast potatoes	Tomato pasta	Popcorn
ACTIVITY 1	Cooking: Pita chips and pea dip	Solar system craft	Cooking: Jaffa rock cakes	Paper chain book characters	Bookmark making
ACTIVITY 2	Soccer	Tennis	Sandcastle competition	Tail tiggly	Foot golf
FREE PLAY IDEAS	Play Twister or Uno, write a movie script or a letter to your grandparents, draw a portrait of a leader				

- 00A** **Maria** Maria is always inclusive and considerate of others. She demonstrates this by being fair and playing safely outside.
- 1/2A** **Charlie** Charlie is a social member of the class and enjoys working with others. Charlie has worked well with a partner during reading group and writing activities this term. It has been pleasing to see him becoming more focused on his work and contributing his ideas when working with others. I am particularly pleased to see him taking the lead and helping other students. Keep up the great work Charlie!
- 1/2B** **Lucas** Lucas has shown great improvement in both his reading and his spelling this term. He is having a go at working independently and should be proud of the progress he is making. Keep up the great effort, Lucas.
- 3/4A** **Kurt** Kurt for always being polite, kind and considerate to his peers and teachers. He has been practising his reading and has shown improvements. Kurt consistently tries his very best and works co-operatively with everyone.
- 3/4B** **Brandon** Brandan has worked hard to complete all his work. He put lots of effort into understanding the structure of a Limerick and produced an excellent example of one during a writing lesson. He was also one of the first to complete a 'P.I.E' diagram when learning about the author's purpose. Keep up the fabulous work ethic, Brandan!
- 5/6A** **Jorja** I am very impressed how Jorja is gaining self-confidence in the classroom. She always follows class rules and displays co-operative behaviour. Jorja should be very proud of her participation during our Media Studies incursion.
- 5/6B** **Jack** For showing leadership during 5/6 basketball and always encouraging your teammates, especially the younger students. You were able to make the day enjoyable and competitive for all.

KINGSBURY PRIMARY

SCIENCE DAY AND NIGHT

THURSDAY 5TH SEPTEMBER

SPACE AND THE MOON LANDING

SPACE DRESS-UP THEME

MULTI - AGE ACTIVITIES DAY

FAMILY SCIENCE ACTIVITY NIGHT 6:00 - 7:30
